

## Vision 2035 Feedback Statistics

### Meetings

- First planned to gather feedback in the fall of 2021; COVID & the holidays delayed it until spring
- Feedback Meetings announced in February, held in March and early April 2022
- Large turnout:
  - 12 meetings (in person or online), plus paper and online feedback
  - 28 groups
  - 196 participants

### Feedback

- Resulted in over 1100 comments (1,129)
- Approximately 1/3 of the comments addressed what is going well (360 comments, 32%)
- Purposely asked open-ended questions
  - Pro - Minimizes bias in the question
  - Con - More difficult to summarize/analyze

### Four Questions (plus option to add additional comment)

Each group was asked to mark the most important for each question

1. What is going well at FPC?
2. What changes are needed?
3. What would you most like to see at FPC?
4. What is your vision for FPC, both short-term and long-term?

### Process for Analysis-Weekly Meetings

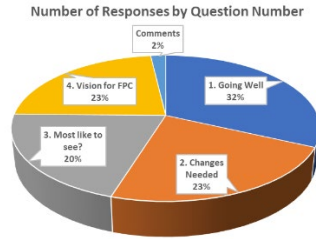

- Mid-April to Late May
  - Transcribed all comments to Excel
  - Categorized into broad groups
  - Made multiple passes through the data refining the categorizations as a group
  - Developed summary graphs
- June and July
  - Identified common themes
  - Identified actionable items supporting themes
  - Solidified Action Plan
  - Prepared Presentation for Session

### The Data

- Analyzed Question 1 separately
- There was considerable overlap in responses to questions 2, 3, and 4; we analyzed it as one
- Separated question 2, 3, and 4 comments into 2 major groups:
  - Concrete suggestions for a specific Council or Committee
  - Conceptual comments and/or comments appropriate for multiple councils
