

We are so thrilled with our partnership with Tapestry Associates (tapestryassociates.com) as we share our space and they share their counseling services with our staff and members at discounted rates. Check out the details at fpcmarietta.org/

For FPC Church Members

Tapestry is offering a \$50 discount per session to church members. This offer would only apply to therapists who do not already have a waiting list. At the current time, 4 of our therapists have a waiting list (Jeff Pipe, Stace Huff, Mary Breshears, Melissa King). The remainder of our therapists would be available at the reduced rate (Sarah Collier, Daniel Peeks, Stacey Foster, Brennan Allen, Madison Pickens).

Members who wish to initiate therapy should reach out to Jeff.Pipe@tapestryassociates.com to schedule their initial appointment. Please do not call the main office line.

Rates

We've chosen for none of our providers to be on any insurance panels. So, we are not able to bill clients' insurance for payment. However, most insurance plans include out-of-network benefits. Our office provides clients w/ "Superbills" that include all relevant diagnoses and procedural codes needed for individual wishing to file for out-of-network benefits on their own.

At the current time, our therapists rates are as follows...

- Master's Level Therapists, Fully Licensed. \$165
- Master's Level Therapists, Associate Licensed. \$155
- Doctoral Level Therapists, Fully Licensed \$200
