

Volunteer Leadership Roles for Children/ Youth

At FPC we believe that active worship experiences help build a foundation of faith in people of all ages. That's why we are excited to share with you the many ways our children and youth can take an active role in leadership at FPC.

- Join us on August 25 following worship. Meet with ministry coordinators for an overview of various leadership opportunities. You may even get some hands-on training! Lunch will be provided.

WORSHIP

Acolytes (Grades 3-12)

Participate as a worship leader by carrying the Light of Christ into the Sanctuary or Great Hall on Sundays. Contact Betsy Sherwood: BetsySherwood@fpcmarietta.org

Scripture Reader (Grades 4-12)

Dedicated staff prepare children and youth to read scripture at the 11am worship service. In preparation for worship, they will practice public speaking with a microphone, writing prayers, and the dramatic aspects of reading scripture. Contact Betsy Sherwood: BetsySherwood@fpcmarietta.org

Tech Support Team (Ages 10 and up)

Our AV Ministry's mission is to utilize technology to enhance the liturgy and worship experience through our audio/visual and livestreaming presentations. Join our Tech Support Team by helping livestream our worship services each week through advancing the slides for liturgy, hymns, and scripture, or by controlling the sound board or the video cameras.
