

THE GOAL

\$2 MILLION

Our campaign to achieve this goal has been named "Building a Firm Foundation", and it is primarily divided into four major areas which consist of Repairs, Worship, Youth Room, and Community. Together, we can:

Create an environment that withstands the test of time allowing us to focus on worship and fellowship

Restore and enhance our historic sanctuary as a place for all to gather and celebrate together

Continue to have a positive impact in our community

Thank you so much for helping build the future of our congregation for the next 190 years and beyond!

Live Stream Updates

Digital organ replacement

Screen updated

IT'S OUR TURN

TO BUILD THE NEXT GENERATION OF FPC

Just like our church's first families bravely established this church 190 years ago, we are called to become pioneers of the next generation. The Session has approved a comprehensive campaign to raise at least \$2.0 Million in 2025. The **Building a Firm Foundation** campaign addresses many high-priority repair and replacement projects that will save funds currently directed for emergency repairs and future funds redirected from the church's annual budget.

HOW TO GIVE

Scan the QR code on the back of this brochure to give online. If you prefer to give by check, simply mark Building a Firm Foundation on the check so that it is designated for this campaign. Mail your check to the church or add it to the offering plate during worship.
